www.abdo.org.uk

The Association of British Dispensing Opticians (ABDO) is the qualifying body for dispensing opticians in the UK. ABDO currently represents over 5,600 qualified dispensing opticians in the United Kingdom, 400 overseas, some 2,000 students worldwide, and over 400 Associate members.

Altacor

● **Stand B33**

www.altacor-pharma.com

Altacor is delighted to attend Eyecare 3000 Glasgow with the Clinitas range, a new dry eye range that increases, stabilises and restores the tear film. Clinitas Hydrate is a liquid gel that boosts the aqueous layer, providing rapid and sustained lubrication of the entire eye surface. Clinitas Soothe is a natural, preservative-free liquid that augments the aqueous and mucin layers, helping to hold the tear film to the eye surface. Clinitas Ultra 3 is an innovative formulation that targets all three tear layers, hydrating the aqueous layer, stabilising the mucin layer, and delaying tear evaporation by restoring the critical lipid layer.

Bausch+Lomb
