Thank you

In this commemorative issue of the magazine, it is a privilege to share your memories, stories and tributes to HRH Prince Philip. In a world where he was constantly in the public eye, it was through his love of carriage driving that he found the freedom to share a sport and passion with like minded people who allowed him to be himself. It is the stories of his sense of fun and kindness that resonate from the pages and for many people, reading these words, it will be the first time they gain an understanding of a man, who the driving world knew as one of their own.

We have already had many requests to buy a single copy of this issue. Please call or email our team, or pass on these details if you know of someone who would like to purchase a copy of this commemorative issue. Telephone: 01722 716997 or email: subscriptions@markallengroup.com.

It is so good to receive event reports at last and although things are not quite back to normal, things are definitely moving in the right direction.

I don't know where the time has gone but we are looking forward to receiving your nominations for the Carriage Driving Awards 2021, now that really is something to celebrate.
